

Mar Gregorios Public School

Annual Report 2020 – 2021

“Praise the Lord, my soul;

All my inmost being, Praise his holy name”

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child’s personality.

With immense gratitude and satisfaction, I present the annual report of 2020 – 2021.

Distinguish dignitaries on the dais, respected members of the management, special invitees, my dear teachers and my beloved children, it gives me immense pleasure to present the annual report of the activities and the achievements of Mar Gregorios Public School , for the academic year 2020-2021.

With the high prospect and academic adversity, Gregorian’s journey 2014 with 34 students has come long way today. With growing strength today, we have 225students. This year we stepped into upper primary level STD – VI.

MANAGEMENT

ASSET OF MGPS

Excellence in education and fostering the love of learning is the hallmark of Mar Gregorios Public School. Our dedicated and sincere teachers are working to improve the academic standards of both the pre- primary and primary sections. Efforts are made to promote the holistic development of students encouraging them to participate in both curricular and co-curricular activities.

Teachers act as the facilitators and explain concepts, facts and provide extra information to the students with the variety of teaching aids. E- Learning is an important and an essential component in this regard, which make the teaching – learning process both interesting and interactive. Teachers take good care of the students and assist them to cope with all kinds of problems and challenges.

In this academic session, the school has primarily been working in an online mode in accordance with the government regulations. All students were in touch with their class teacher and subject teachers through platforms like zoom, Google meet, Google forms, video presentations, YouTube video links and many other virtual modes. Efforts were being made to ensure that all the students actively participated in the online mode and ensured maximum learning outcomes. Teachers conducted their online classes with attractive and informative PowerPoint presentations, online activities and even conducted the periodic tests and examination through the online medium.

When the school reopened physically for all precautions of sanitization, thermal checking, wearing of mask and social distancing were followed. Care also taken to ensure that the staffs were vaccinated in advance to provide a safe and secure school environment.

Now we have 12 teaching staff, 2 office staff and 2 supporting staffs.

REPUBLIC DAY

The flag was hoisted by Principal Rev. Sr. Selin Grace in our school campus. Due to the pandemic situation the recorded video of flag hoisting was posted in the class WhatsApp groups.

SKILL DEVELOPMENT

Gavel club was inaugurated in MGPS for the betterment of students' communication skill.

They attract people who share the innovative thinking for their self-development. Communication skill help students develop sense of unity team spirit, and make them learn how to work with others in reaching the same goals.

CONCLUSION

Before concluding this report, I bow my head in reverence to the Almighty God for his abandoned blessings and grace showered upon our institution. It is my privilege to express my deep sense of gratitude to our management especially to our beloved Secretary for his vision towards the development

and growth of our institution and for his steady constant support.

I thank all teaching and non- teaching staff for their dedicated service.
This is the key to all our success and achievement's.

Let me conclude the Annual Report 2020-21 with wishes and prayers
for the new academic year 2021-22.

Thank you all!!!!!!!

GOD BLESSES YOU ALL!!!!!!!!!!!!!!
